Electric Fireplaces

Dimplex[®]

Nothing says home quite like a warm hearth.

While looking every bit as good as masonry fireplaces, Dimplex® electric fireplaces provide unmatched flexibility and ease of installation as venting or gas lines are not required. Simply plug it in, sit back and enjoy your fireplace.

- A smart, practical and efficient zone heating solution, designed to warm up to 1,000 square feet.
- With over 20 styles and finishes to choose from, Dimplex offers a range of models to suit any décor.
- Built with exceptional attention to detail to ensure reliability and durability.
