

FIRE & ICE SERIES

LED Lighting • Heater & Fan

- Vibrant multi-colored state-of-the-art flame** - with just a click of your remote you can easily change the flame color from blue to purple to violet to orange or yellow.
- Striking white glass surround with some models available with black glass (shown)
 - 4 stage lighting • Hard wire ready
 - Front & rear control for flame & heater included
 - All models come with a white glass surround.
 - Fire & Ice models come with large glass chunks, clear & blue diamond fire glass media.
 - 13 colours of surround back lighting available only on WM-BI models

Follow the for direction heat is emitted

PANORAMA SERIES

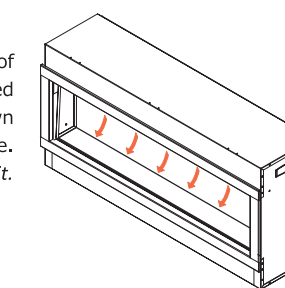

Available in 6 3/4" or 12" Depth

- Vibrant multi-colored state-of-the-art flame** that is easily changed from blue to purple to violet to orange or yellow with just a click of the remote.
- Available in Slim 6 3/4" or Deep 12" depths • The same model can be used for indoor or outdoor use.
 - Built-in only • Hard-wire ready • Heats approx. 400-500 sq. ft.
 - Dual Flame technology - 2 flame sets in Deep 12" only
 - Flame operates with or without heat
 - Remote control for flame and heater
 - Slim 6 3/4" Comes with large glass chunks, clear & blue diamond fire glass media, and black steel surround that can be installed if preferred.
 - Deep 12" Comes with large glass chunks, clear & blue diamond fire glass media, a **6 piece log set**, and black steel surround that can be installed if preferred.
- All panorama models shown are featuring a surround with a Design Specialties Handcrafted Finish*

All Panorama Series models are rated for **indoor or outdoor** spaces. You choose what works best for your residential or commercial applications.

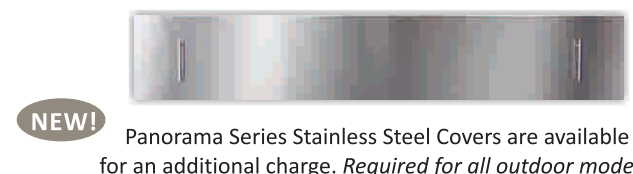

The heater and fan is located in the top of the unit and the glass is uniquely angled backwards to allow heat to cascade down over the front of the fireplace.
Shown is the 12" Deep unit.

DESIGN SPECIALTIES POWDER COAT

STANDARD FINISHES

Proudly made in the USA, each Design Specialties door is hand crafted to the specifications of each order. Due to the nature of the anodizing, plating and powder coat processes, slight variations in colour may occur. In particular, finishes including, but not limited to, Forged Iron, Sierra Copper, Rustic Copper, Black Silver Edge and Black Copper Edge.

ARTISAN FINISHES

DOOR & OVERLAY STYLES

ARTISAN CONCRETE SURROUNDS - available for the BLT-IN-5124 only

Styles & Colors:

Honed Finish

Made in the USA, Amantii's Artisan concrete surrounds are beautiful to look at, transforming any space and providing years of enjoyment. Each piece is cast by hand and the finest color pigments have been used for optimal color consistency. Slight irregularities in texture and variation of color are what make each piece unique.

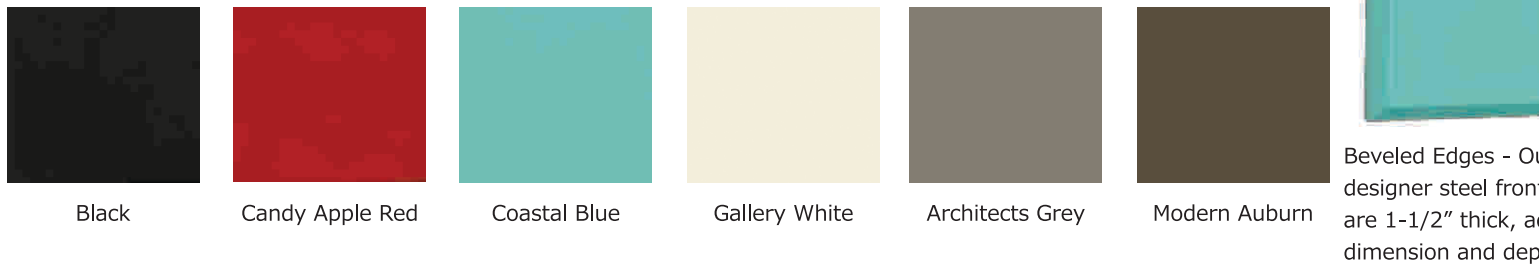

Unit and face are designed to fit flush against the wall when built-in.

These models can be wall mounted or built-in and have no heater or fan.

See price list for model numbers and more product details.

DESIGNER STEEL SURROUNDS - available for the WM-BI-43-5123 & WM-BI-58-6421 only

Six colors to choose from:

Beveled Edges - Our designer steel fronts are 1-1/2" thick, adding dimension and depth.

OPTIONAL ACCESSORIES - decorative media available for purchase

Variations in color and shade are inherent in all printing processes, the actual colors may vary slightly from those shown in this brochure. Please visit your local dealer to view a sample.
